

Victoria Lane Academy Sports Premium Impact Analysis

2017/18

This impact report identifies how the pupil premium has been spent and evaluates its impact across the 5 key areas highlighted by the government for development within schools. These comprise:

- Engagement of pupils in regular physical activity.
- The raised profile of sport and PE as a tool for school improvement.
- Increased staff confidence and knowledge.
- A broader range of sport on offer to pupils.
- Increased participation in competitive sports.

For the 2017/18 school year Victoria Lane Academy received a total of £16,000 in PE and School Sport Premium. A detailed breakdown is outlined in our Sport Premium action plan located on our school website. The impact of our PE and School Sport Premium expenditure is outlined below.

Area of spend	Pupils in receipt of PE funding by year group	Costing of initiative	Impact measure	Result
Annual SLA competition from Sedgefield Schools Sports Partnership	All year groups	£1,600	Engagement of pupils in events and competitions Sainsbury's Gold Mark achieved	Children have access to a full organised programme of competitions and festivals Links to other sporting clubs are promoted SLA enables school to increase the range and breadth of sport experience that our pupils participate in and enables competition in Level 2 and Level 3 Sainsbury's School Games
