

Victoria Lane Academy

Sports Premium Expenditure Plan 2021-2022

What is Sport Premium?

Sport Premium is funding allocated to schools by central government. The funding amount schools receive is based upon the number children of primary age on roll at the school. Sport Premium is to be used to increase the quality and breadth of PE and Sport provision; increasing participation in PE and Sport and enhancing the skills of teachers to deliver high quality PE lessons.

At Victoria Lane Academy, we strive to promote healthy and active lifestyles and aim to provide a wide range of fitness and sporting opportunities for all our pupils.

Our school has been allocated £18,500 for 2021-2022 from the Government's Sports Premium Funding. This money will be spent over the course of the year to finance sustainable developments in P.E. and sport opportunities for children in school.

Part of the sport premium funding is used to purchase the Sedgefield GoWell Competition and Enhanced Service Level Agreements at an annual cost of £6,753 to effectively support the delivery of high quality PE and School Sport provision. Investing in the GoWell (<https://www.go-well.org/>) Competition and Enhanced Service Level Agreements provide the school with the following:

- Full access to the GoWell competition calendar, which is a comprehensively organised annual programme of competitions, tournaments and festivals in addition to the National School Games. Access to inclusive Multi-skills festivals for every year group.
- Provision of Tiered Competitions and Festivals specifically designed for higher ability, lower ability as well as mixed ability festivals and competitions. □ Access to flagship events such as Sedgefield Dash and Primary Olympics
- Participation in FA football coaching and access to local football leagues and competitions
- A Data Report on participation rates in competitions and festivals
- Promotion and development of links to local sports clubs - 15 potential school club links.
- Go Well Branding – Go Well Member School Logo, Go Well supplement for school prospectus/website/newsletter.

The GoWell Enhanced SLA 2020/21 will provide in addition:

- 60 hours of High-Quality Coaching and Whole Days to aid pupil and staff development
- 30 hours PE teaching support or alternative packages/programmes
- Menu of CPD opportunities for staff
- Data analysis and reports
- Ready ,Steady, Glow Taster
- Access to online resources
- Equipment Loan Scheme
- Management, co-ordination and quality assurance of all services delivered
- Additional support to Schools to achieve School Games Mark and the new Healthy Mark
- Schools rating scheme.
- Priority on additional programmes and opportunities sourced by the GoWell

The remainder of the funding will be allocated to help fund transport and CPD, purchase resources/subscriptions and utilise a range of specialist providers, who will deliver a range of curricular and extra-curricular opportunities to engage our children and their families in physical activity and support. We intend to:

- Increase the range and type of sport and fitness experience which we offer our children by taking part in less familiar sports such as OAA, Yoga, Climbing Wall, Fencing and other outdoor adventurous activities on residential visits including Survival Skills. These activities will be delivered by specialist coaches and may occur at specialist venues and be offered as extracurricular clubs.
- To increase staff expertise in curriculum and extra curriculum PE through support from specialist PE coaches.
- To develop opportunities for children and their families to access health, fitness and wellbeing activities at school using outdoor gym equipment and resources.

Impact

The Sport Premium Funding will ensure additional and sustainable improvements that will impact upon our school in the following ways:

- Greatly enhance the knowledge, skills and understanding of our staff team (teaching and non-teaching) in terms of their ability to deliver or support in high quality PE sessions to benefit our current pupils as well as pupils joining the school in the future.
- Provide an appropriate and high level of challenge in this area of the curriculum for our children.
- Raise the skill level and confidence in children to participate in PE and various sporting opportunities
- Increase the knowledge of whole school community including children and parents of the part that PE and sport can play as part of a healthy lifestyle e.g. positive effects on behaviour, academic achievement, health and well -being as well as fitness.
- Enable children to take part in a greater range of PE/sporting activity and broaden horizons as to what they can engage with and achieve.
- Raise the profile of PE and Sport across the whole community to help make developments sustainable for the future.

- To facilitate the provision of close links with external sporting providers and club links.
- Provide the pupils in our school with greater ownership of the type of fitness and sporting activities that they engage with through Sports Leaders and School Sports Crew training. This paves the way for them to become Sports Leaders or Higher Sports Leaders in future phases of their Education.

Planned Spending in Summary

Key Performance Indicators	Responsibility	Cost	Programme/Initiative	Timescale Monitoring	Sustainability	Review and Impact
<p>Whole School Improvement</p> <p>The profile of PE and sport is raised across the school as a tool for whole school improvement.</p> <p>School achieves the Gold School Games Mark for fourth consecutive year.</p>	<p>Mrs Richardson Mrs Squire (PE subject leader)</p>	<p>£4,935 Enhanced GoWell SLA £1,818 GoWell Competition SLA</p>	<p>*Annual Subscription to Sedgefield GoWell Competition and Enhanced SLA purchased.
