Any other comments:

- *Could provide more educational trips
- *Children who behave well are looked and bad behaviour is given more attention
- *At the moment I feel like they want all children as soldiers
- *I gave lots of 'unsures' because the issues I have are new so it wouldn't be far to agree or disagree.
- *Very pleased with the school. I have a very happy child.
- *Would like to know what my child ate for dinner – is packed lunch an option? (Nursery)
- *I know Reception children are funded for school lunches but it should be easier for children to have the choice to bring packed lunch.

If you have any concerns, would you like to meet with a school leader to discuss them?
