### Any other comments:

\*No concerns.

\*Getting dates of events earlier would be great to help plan with work so I can attend.

Keep doing the after-school clubs; these are always something my daughter likes to attend.

\*More school trips for all years groups.

\*All the staff in nursery have been amazing with my child and have helped him develop and learn so much

\*My child needs to drink more water

\*Offer fruit as rewards

\*Sometimes a little more feedback on my child's day/week as he doesn't tell me much when I ask him.

\*I feel some of the teachers don't have enough training on SEN needs.

If you have any concerns, would you like to meet with a school leader to discuss them?
